ISO 14001  
BUREAU VERITAS  
Certification

GRUPO GRECO GRES INTERNACIONAL S.L., as manufacturer and supplier/distributor of FRONTEK ceramic tiles, for its installation in ventilated façade systems:

## CERTIFIES:

Its products comply with the quality standards in accordance with the indicated specifications, in the corresponding Declaration of Performance and CE Marking of the product, as defined by the Regulation of the European Parliament and Council No. 305/2011.

Water resistance and solar radiation resistance is guaranteed in compliance with DIN 51094 Regulation "Testing of the light fastness and colour fastness of ceramic tiles".

Innocuousness and inhibition of microbial growth on the surface of the FRONTEK ceramic pieces is guaranteed, with a tested reduction percentage under the ISO 22196:2011 Regulation, conferring antibacterial characteristics to the ceramic pieces, preventing proliferation of microorganisms and its consequent contamination. This last warranty is of exclusive application for the batches produced from the 1st of January 2019 onwards.

For the record, this certificate has been signed.

In Alameda de la Sagra, 15th of March 2021.
